REGULATOR SERVICE FORM

Name: _____ Date: _____

Email: _____

Phone: _____

Regulator Make & Model: 1st Stage: _____

2nd Stage: _____

Octopus: _____

Serial Number: _____

Additional Work Required: _____

Comments: _____

I understand that work will take up to 2 weeks for standard service. Any additional works will require further time and expense. Atomic and Poseidon regulators will take longer due to parts availability. I will be notified by email when work completed. Goods not collected will be sold to recoup costs after 3 months unless other arrangements have been made in writing by Wraysbury Dive Centre.

Signed: _____
